

- 1. You will need a small lunch size paper bag (white preferred) a glue stick, and the printout. Cut out all parts..**
- 2. Take 2 of the long red pieces for each arm, and glue the ends and fold them back and forth accordian style. Attach hands to one end and glue the other to the bag fold.This an arm. Do the same thing to make another arm.**
- 3. Insert the lower jaw under the flap and glue down. Put glue on the top part of the flap and glue the heart down. Add eyes. Draw a mouth. You can leave the point on the top heart or cut it curved.**
- 4. Children can color the rest of the bag if they would like to. Have Fun!**
